

ROTORUA  
BRANCH

The Rotorua Branch of the Royal Society of NZ holds a series of science lectures every year from February to November on topics of general and local interest. Lectures are open to the public and are held usually on the first Tuesday of the month at 6.00 pm in the Rimu room on the Scion campus. We are also involved in organizing the Bay of Plenty School Science Fair.

The Royal Society of NZ has been active in Rotorua for more than 40 years. We rely on member subscription to support the cost of bringing top NZ and international scientists to Rotorua. Membership is only \$20 per year for individuals or families and this gets you on our mailing list for information on upcoming lectures, and a chance to hear about topical science issues presented by NZ's leading science researchers.

Details of lectures are also listed on our website <http://rotorua.science.org.nz/>

We are open to suggestions for speakers, especially if you know of international colleagues who may be visiting through the year, and we are always looking for helpers for our small organizing team. Feel free to contact any of the team, either to join or for further information – Lloyd Donaldson, Stefan Hill, Cliff Lee, Hanno Fairburn, Laura Raymond, Rowland Burdon and Robert Franich.

Subscriptions are \$20 for an individual or family and can be paid at monthly meetings or by contacting the secretary – Lloyd Donaldson at Scion. Non-members are welcome, your gold coin donation is appreciated.

#### **DUES FOR 2017**

Membership for 2017 is now due. The cost is \$20 for an individual or family. Please send your remittance to the treasurer:

Stefan Hill  
Scion  
Private Bag 3020  
ROTORUA
